Executive Director
Ghana Medical Help
Canada

Dear Sir/Madam,

IMPACT OF GHANA MEDICAL HELP'S DONATED EQUIPMENT TO THE PERFORMANCE OF BONGO DISTRICT HOSPITAL

On a number of occasions, Bongo District Hospital received various quantities of useful medical equipment from the Ghana Medical Help, Canada, donated through the Upper East Regional Director of Health Service, Ghana. The donated equipment included: Digital Thermometers, Digital BP Apparatuses and accessories, Nebulizer, Oxygen Concentrator; Baby Weighing Scales; Disposable Theatre gowns, Aprons, and Cap; etc. The donated equipment has been very useful to this hospital and that has reflected in some of our performance indicators as shown below:

Indicator	Outcome		
	2011 (Jan-Dec)	2012 (Jan-Dec)	2013 (Jan-June)
Number of hospital attendance	34235	44549	19,476
Number of admissions	5899	7045	
Number of deliveries	614	862	442
Total number of deaths	115	111	32
Number of institutional infant deaths	15	14	
Number of institutional under-five deaths	36	29	5
Number of maternal deaths	5	5	0
Death Rate	2.7	1.4	2.2
Average Length of Stay	3.2	4.0	2.6

The hospital still critically has need for some essential equipment, including: Oxygen concentrators, Digital BP Apparatuses, Dressing instruments, Delivery instruments, Drip stands, Food trolley, Drug cabinets, Nebulizer with accessories, Anaesthetic machine, water bath, and Autoclaves.

Thank you.

Dr. William Gudu
(Medical Superintendent)
